ABOUT OUR PRODUCTS

We take great pride in offering a wide array of versatile products, each accompanied by a lifetime guarantee for all ceramic ware. Our commitment to quality is unwavering, as evidenced by the stringent testing conducted throughout the production process, ensuring the reliability of our products.

01

STANDARDS

Our products adhere to the following British standards:

- BS3402:** Quality of vitreous china
- BS5503:** Specification for WC pans
- BS7358:** Specification for CC pans
- BS5506:** Specification for washbasins and pedestals
- EN997:** Specification for WC pan flushing
- EN33:2011:** WC pan and flushing cistern connecting dimensions

Furthermore, our manufacturing facilities are certified in various key areas:

- ISO 18001:** Health and Safety
- ISO 14001:** Environmental
- ISO 9001:** International Quality Management Standards

02

TERMS

Guarantees apply to defects from manufacturing only, and do not apply to accidental damage, wear and tear, or any item or component rendered defective by unsatisfactory planning, faulty installation, improper or negligent use, or damage resulting from failure to maintain the product.

03

AFTERCARE

Regular cleaning will prevent the build up of limescale. Products should be cleaned regularly with warm soapy water, rinse, dry and polish with a soft clean cloth.

Be aware that some cleaners can damage the surface of ceramics and fittings, particularly if left on for a long period of time.

We particularly advise against the use of strong cleaners that contain abrasives or chemicals.

Our knowledgeable and friendly bathroom teams are always here to guide you if you'd like some extra advice. Contact one of our Esteem Bathrooms stockists directly in your area for more details.

DESIGNED WITH PURPOSE BUILT FOR LIFE

We take pride in crafting products that are built to last. Esteem Core reflects our commitment to quality and reliability, with each piece designed to meet the demands of everyday life while delivering enduring performance you can trust

Esteem Core stands as a testament to practical design and dependable quality. It reflects our commitment to delivering products that enhance your space with functionality and style, offering the perfect balance of value and reliability.

Your needs inspire our designs. Every product in the Esteem Core is thoughtfully crafted to provide efficient solutions that perform seamlessly in everyday use. These products are built to handle the demands of modern living.

Our journey is rooted in championing purposeful design. Esteem Core represents a dedication to consistent quality and thoughtful design. With a focus on reliability and availability, our products are created to meet the needs of customers everywhere, offering flexibility and practicality for any project.

Esteem is guided by a legacy of excellence, reflected in every detail of our products. From durable materials to practical solutions, we're committed to delivering designs that work seamlessly for you. Our passion for quality drives us to ensure that Esteem Core is a trusted choice for modern living.

 550mm x 462mm x 195mm
 165mm x 140mm x 660mm

COUNTER BASINS

Vanity and semi-recessed basins provide a sleek and modern appearance to the bathroom. The basin is installed beneath the countertop or partially recessed, creating a clean and streamlined look. These types of basins can help save space in smaller bathrooms. By being mounted beneath the counter or partially recessed, they free up more visible counter space, making the bathroom appear larger and less cluttered.

SLEEK AND ROUNDED DESIGN:

Transform your bathroom into a haven of style with our basins contemporary and rounded design. The smooth curves not only enhance the aesthetics but also add a touch of sophistication to your space, creating a visually pleasing focal point.

PERFECT FOR COUNTERTOPS:

Designed to complement modern interiors, our semi recessed and undercounter basins are ideal for use with countertops. Suitable for use with most materials, its seamless integration enhances the overall beauty of your bathroom, offering a harmonious and cohesive look.

ESTEEM CORE 55CM SEMI RECESSED BASIN
1 TAP HOLE

| Basin (Two Tap Holes) | E20702 |

Dimensions mm (W x D x H)

530mm x 400mm x 200mm

SPACE SAVING TOILETS

Space saving toilets are designed to be more compact than standard toilets, making them ideal for small bathrooms, en-suites and cloakrooms. The reduced footprint of space saving toilets provides more room for movement within the bathroom. This can be particularly beneficial in tight spaces where a standard sized toilet might feel cramped.

FLEXIBLE INSTALLATION:

Space saving toilets often offer flexibility in installation. The reduced projection can allow for efficient use of available space. This flexibility can be especially useful in bathrooms with unconventional layouts.

AESTHETICS:

The compact design of space saving toilets can contribute to a visually cleaner and less cluttered appearance in the bathroom. This can be appealing, especially in modern and minimalist design schemes.

CUSTOMER INFORMATION

GUARANTEE INFORMATION

Sanitaryware – Lifetime guarantee against any manufacturing defects on all ceramic
Toilet seats – 5 year guarantee
Brassware – 5 year guarantee on all chrome taps and showers
Acrylic baths – 25 years guarantee on baths, 2 years on bath panels
Steel baths – 2 years guarantee
Flushing mechanisms, concealed cisterns and wall mounting frames – 1 year guarantee

GUARANTEE LIMITATIONS

All product guarantees cover manufacturing defects only. Damage caused by accidental damage, excessive wear and tear or improper installation will not be covered. All guarantees cover the replacement of the original product with the same item if possible. If a product has become obsolete then an alternative similar product will be offered. The cost of re-installation is not covered by the guarantee. Brassware guarantee does not cover damage covered by calcium deposits. Bathroom furniture is designed to withstand a wet environment but does not include immersion or exposure to leaks. Proof of purchase date is required for us to honour these guarantees, please keep your purchase receipts safe. It is not necessary to register your guarantee with us. All guarantees are transferable provided you have the original proof of purchase.

PRODUCT CARE

Bathroom products include moving parts, joints, connections and valves which will suffer over time if they are not serviced regularly. We recommend that you have your bathroom appliances checked annually by a competent and certified plumber and that you consider replacing flushing mechanisms as soon as there are signs of poor function or water leakage.

ERRORS & OMISSIONS

In the interest of continuing design and development and product improvement, Esteem reserve the right to change colour, designs & product specifications without prior notice. All colours/finishes in this brochure are as accurate as the printing process will allow.

MEASUREMENTS

All dimensions are in centimetres and millimetres and are nominal, they are provided as guidance only.

CLEANING INSTRUCTIONS

Clean with a soft cloth and avoid surfactants and heavily perfumed products. Do not use abrasive scrubbing cleaners or equipment for cleaning. Further guidance is available on request.

LEGAL

All items in this brochure are subject to availability and are correct at the time of printing. All dimensions are approximate and subject to normal variation. Although every effort is made not to change information, Esteem reserve the right to do so without notice.
